MUHAMMAD RANA - COMPLETED COURSEWORK

1. Principles of Management

- Completed on March 8, 2023 • 79.72 hours spent

- Description: This course was put together by the Saylor Academy. This course will illustrate the ways in which the practice of management evolves as firms grow in size. It is based upon the idea that the essential purpose of a business is to produce products and services in order to meet the needs and wants of the marketplace. A manager marshals an organization's resources (its people, finances, facilities, and equipment) toward this fundamental goal. In this course, you will explore the tasks that today's managers perform and delve into the key knowledge areas that managers need to master in order to run successful

2. Michael G. Santos: Straight-A Guide

- Completed on April 5, 2023 • 12.96 hours spent

- Description: The Straight-A Guide is a video-based course made to help students learn how to pursue a law-abiding life where they can contribute to their community. It has been designed and delivered by a former prisoner, Michael G. Santos, who received a 45-year prison sentence when he was 19. He ended up serving 26 years in prison, but earned his Bachelor's degree, Master's degree, and published books during his sentence.

3. Beyond Prison, Probation, and Parole

- Completed on April 23, 2023 • 9.62 hours spent

- Description: Beyond Prison, Probation & Parole is a motivational film series that features inspiring stories told by formerly incarcerated men and women who have overcome the hurdles, stigmas and challenges associated with returning to society from prison. Men and women not only share their recipes for success, they also tell how they refused to let their past dictate their future.

4. Thinking for the Future - CBT

- Completed on March 9, 2023 • 5.95 hours spent

- Description: Join a group therapy session led by two experts in Cognitive Behavioral Therapy (CBT) -- Jennifer Luther and Dr. Paula Smith. CBT is a form of mental health treatment that focuses on the relationship between thoughts, feelings and behaviors. The participants are serving time at a work-release center in Indiana and have volunteered their time to share their experiences and work through the lessons with the instructors.

5. Peace Education Program - CL

- Completed on April 2, 2023 • 5.86 hours spent

- Description: A peaceful life means having a stress-free, secure, and calm life, where there is no fighting or conflict, and everything coexists in perfect harmony and freedom.

Throughout this course, you will learn about ways to bring peace into your life and about the experiences of people who have participated in this program.
